LANTHORN

VOLUME 79

PRESENTED TO THE CLASS OF 1975

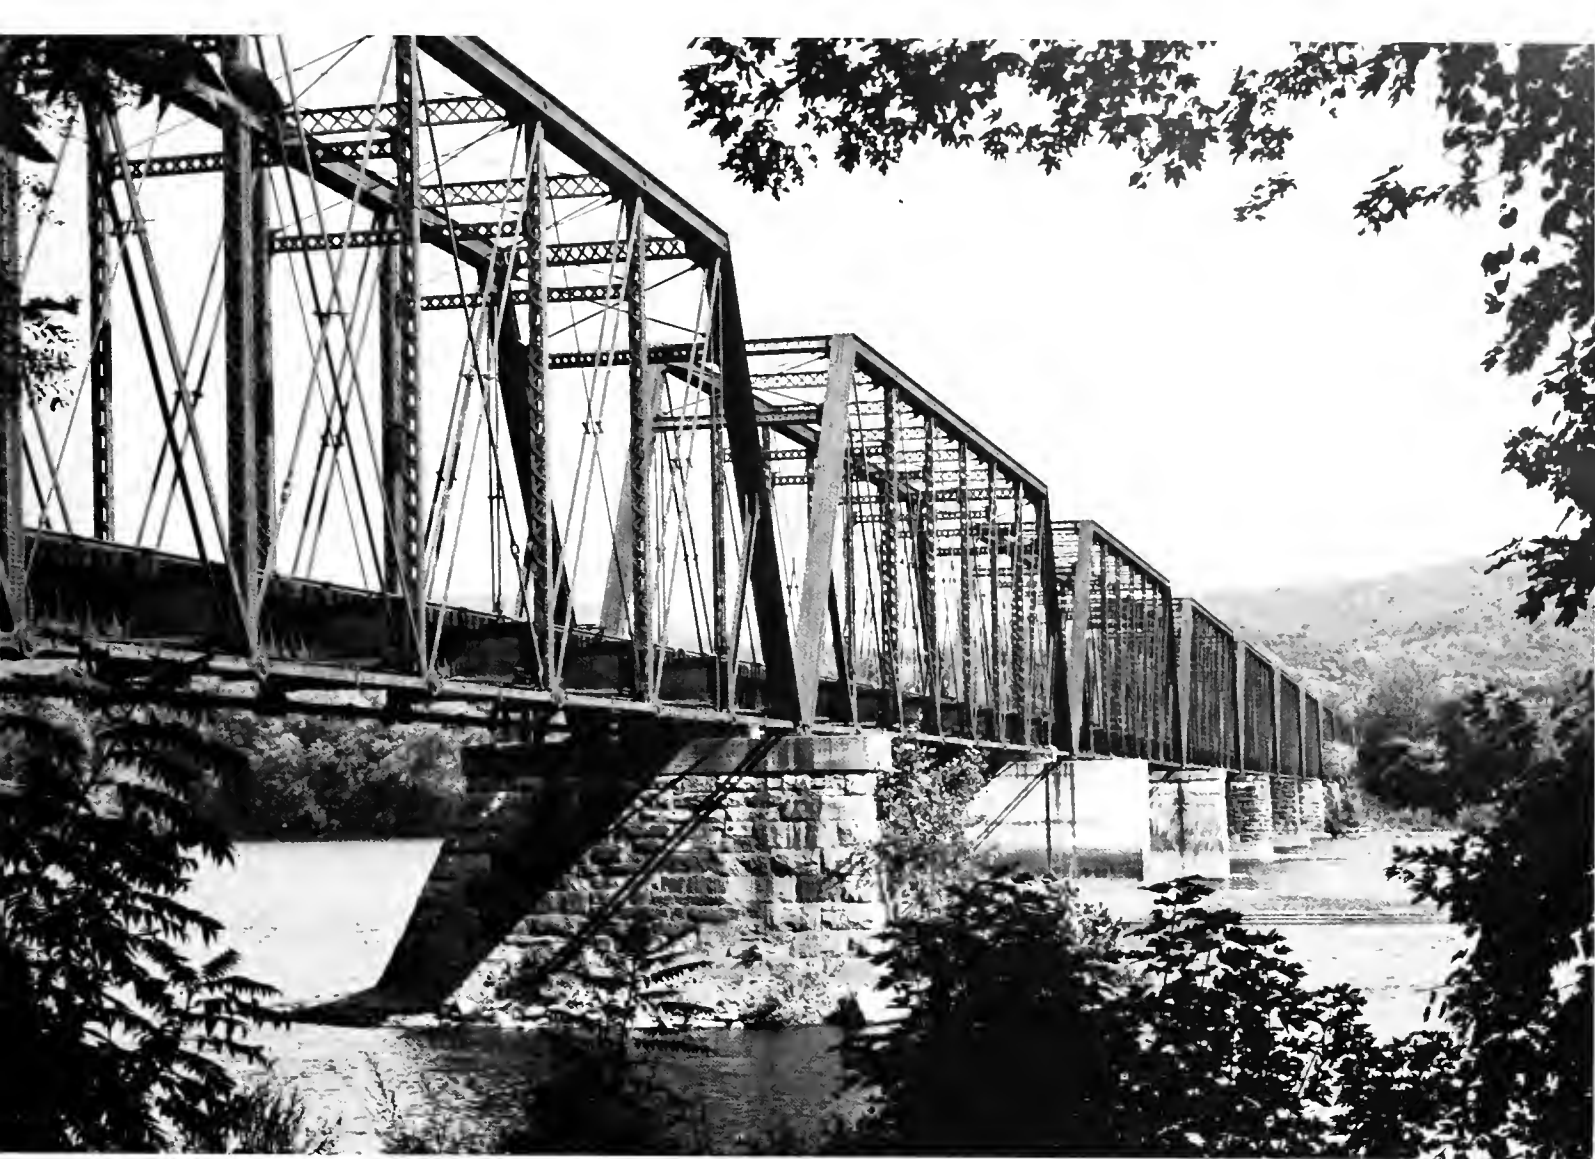

Susquehanna University
Selinsgrove, Pennsylvania

Bridges . . .
leading from the familiar
onward toward the unknown . . .

Dean Dorothy Anderson . . .
a bridge for freshmen . . .
guiding, directing us
in the first year of college . . .
concerned and aware
of the problems of youth,
advising women of their place
in the world . . .
to you we dedicate this yearbook.

From a child to an adult
many bridges were crossed . . .
some forever.

From pursuing an education
to pursuing a career . . .

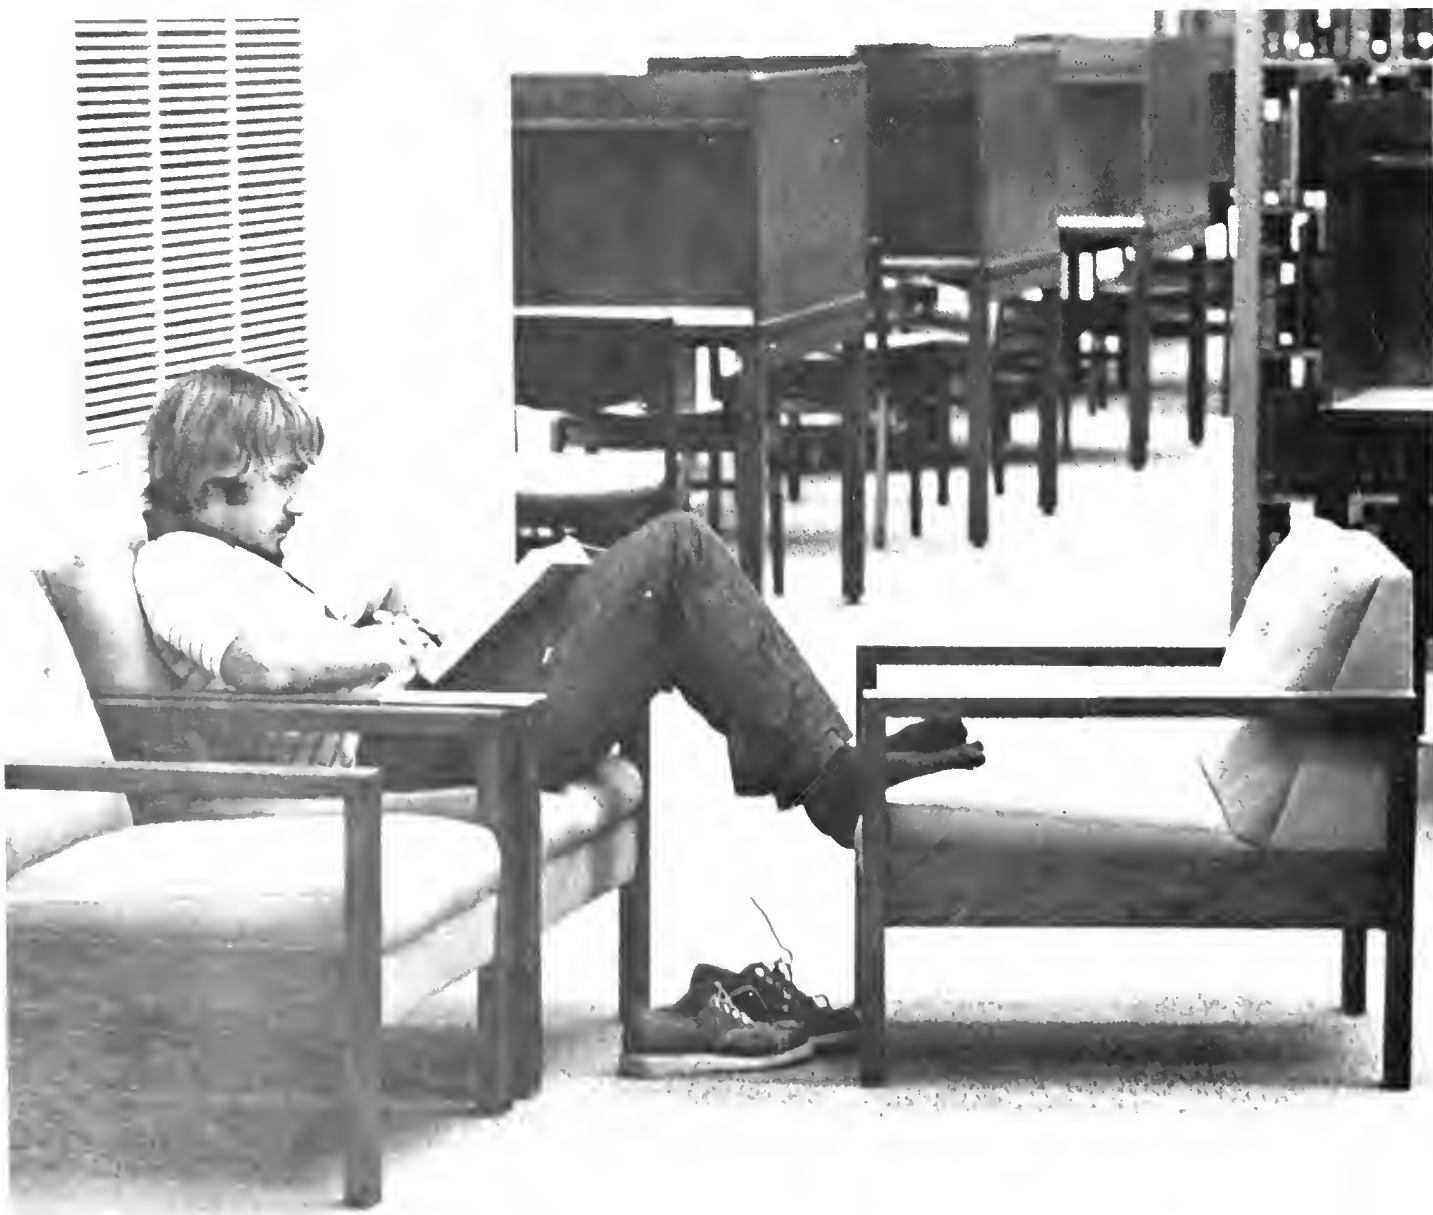

From dreaming of life
to the living of reality . . .

From casual friendship
to enduring relationships .

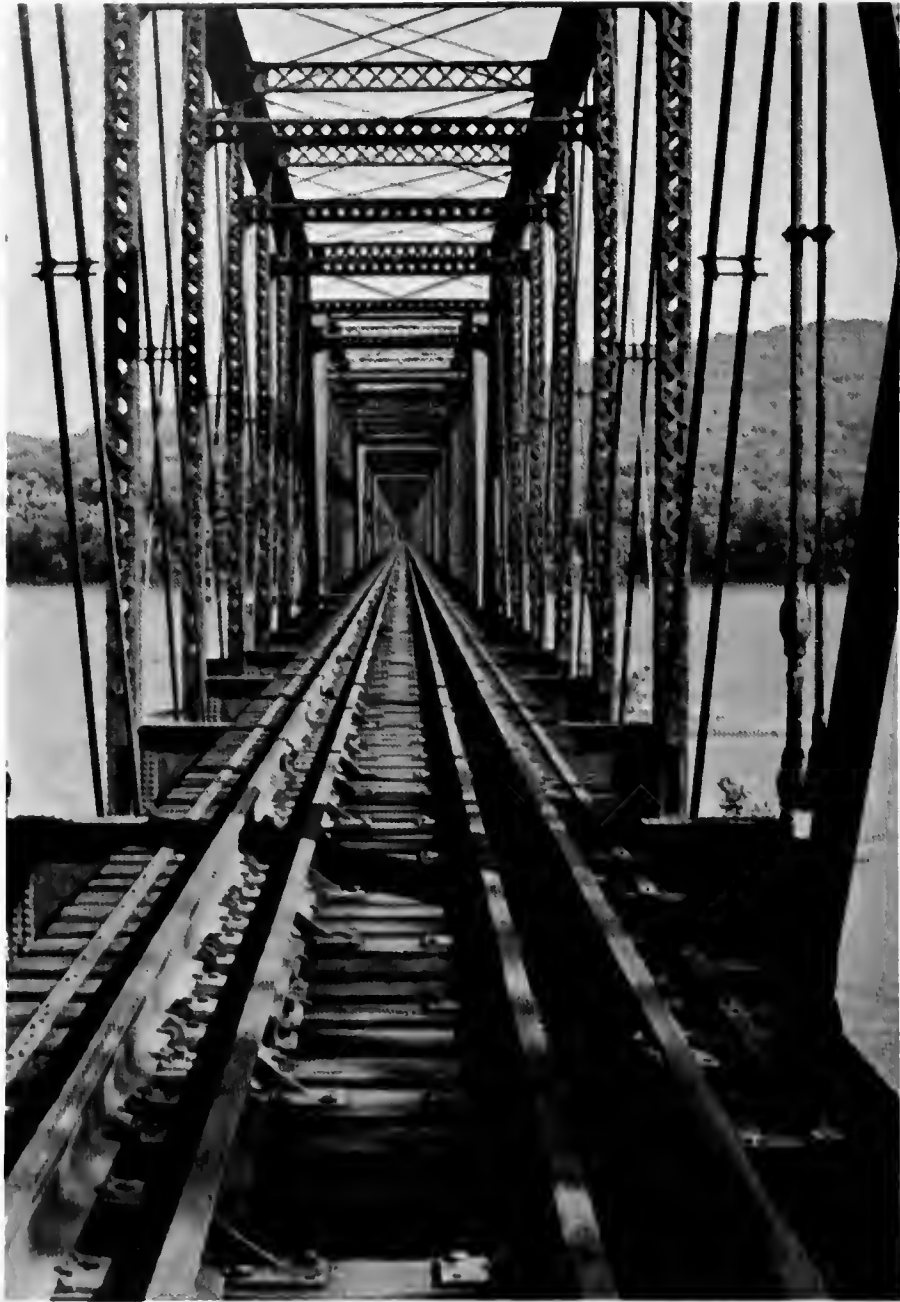

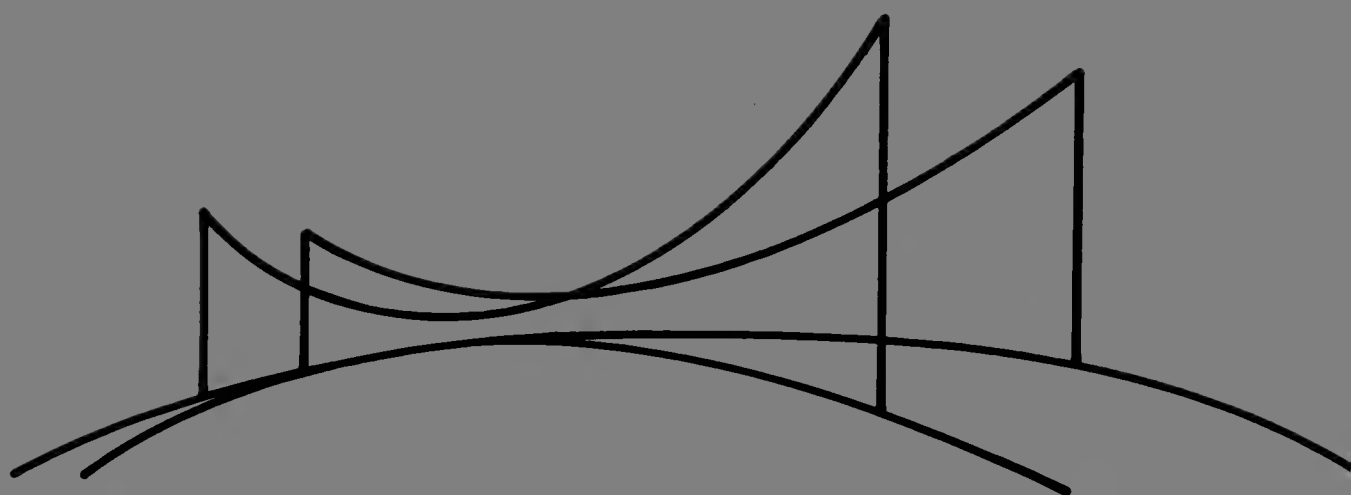

Bridges connect . . .
leading from one point
in life
to another . . .

SU is our main bridge in life . . .
the goals and dreams of college youth
remain with us, carrying us forward . . .
classes, social life, common experiences
are the planks we cross to reach
the other side, the future,
only a step away . . .
